## LOCAL BOYS PROVE EQUAL OF FAST SANTA CLARA UNIVERSITY TOSSERS

Chinese Win From Visitors By Score of 6 to 5 Yesterday Afternoon—Honolulu Drop Opener to Santa Clarans By Score of 5 to 4—Bushnell, Meyer, Flizer and Jackson Star in First One—Hoon Ki, Kan Yen and Lang Akana in Second

They came. They saw, and they wondered. And after all the coming and the wondering, they were certain to wonder some more. All of this meaning the collection of ball tossers from Santa Clara University, city of Santa Clara, county of Santa Clara, California.

Every time one of the mainland aggregations is headed toward our shores the cry of preparedness is set up, but in the two in which the locals have appeared they have ranked well with the visitors, and in fact had a little the better of the argument.

Good and Bad Mixed. In the first melee on Saturday afternoon the Honolulu did everything to give the game away in the fielding line and still they outthit the Missionites, and had it not been for one Michael "Pinkie" Leonard might have chalked up a victory. During the day Parese's crew made seven errors, while the Missionaries made but one.

Ray Bliss, the crooked arm twirler of the Smeas, essayed the task of stopping the Lulus. In the seventh inning Manager Joe Kerchu grabbed the book after the locals had scored two runs and Bliss was blissless. Admiral Perry was the first man to face the Pink person, and inasmuch as Perry had not been able to secure a hit in more than 30 times at bat, the huncher stated that he was due. He was, and with Jackson on second and Holcomb on first, Perry drove to the plate. As a result Hoon Ki fanned the first two men, and Kan Yen got the other. Again in the eighth Kan Yen made two beautiful stops of plays and Hoon Ki fanned the other man. Milburn singled in the ninth, he had a reason for wanting to score, but the next three men failed to help out, and the Chinese captured and conquered.

Three accidents marred the play on Saturday. Maher, the third baseman of the visitors, in sliding into second in the sixth inning fractured a bone in his ankle. His injury will keep him out of the game for a month at least. In the eighth inning Meyer, pitching for the Lulus, hit Bensberg, and it was stated that he had two fractured ribs. Hall had an injury to his right hand in going after a wild throw.

Heine Meyer outpitched Bliss, the southpaw artist of the visitors, and should have won out, but seven errors behind him gave the game to the visitors. Meyer was ably assisted by Bushnell, Souza and Flizer who played good ball throughout. McGavin also worked well behind the plate, and not a stolen base was made. Bushnell and Flizer led the Lulu batters, the former getting three singles, and Flizer a duo of doubles. Milburn topped the Clarans with three singles.

Honolulu scored in the first, second and seventh innings. Santa Clara in the second, fourth and fifth. Jackson, the new second sacker for the Lulus, handled nine chances without a bob. He also looked good at the bat, but failed to show speed in rounding the bases.

Chinese 6, Santa Clara 5.

The conquering part of the business came on Sunday afternoon before 3500 fans. The home town contingent started after the visitors and at the end of the third inning the score was 6 to 1 in favor of the Chinese. Luck Yee was on the mound for the first time, and Floyd Brown, late of Tacoma and Vancouver in the Northwest League, had the firing line role for the Missionaries.

In the first inning two errors by the Chinese, coupled with Gay's hit, gave

the visitors a run. Chinese went scoreless. Desmond ambled in the second canto, but that was all. Ah Lee started the work in the third when he singled and Kan Yen then sacrificed, but was safe. Hoon Ki singled and Ah Lee and Kan Yen came home. Luck Yee worked the hit and run play to perfection and Hoon Ki came home.

Lang Hit It. Santa Clara went out in order in the third. En Sue was given a duct, Kai Luke also walked and Lang Akana marched to the plate, and slammed a beautiful triple far out in the jungles, and two runs came across. Then O'Neill erred and Lang came home. A double play stopped the slaughter.

Three singles off Luck Yee in the fifth gave the Santa Clarans two runs. In the sixth everybody took a hand in throwing the ball away, and the visitors annexed two more. Ah Lee, Luck Yee and Hoon Ki were responsible. Lang Akana doubled in the seventh, but could not come around. "Was Well Indeed."

Two men were on bases in the seventh inning, and Kan Yen, the peppery catcher, took a couple of thinks. One of the thinks was that Hoon Ki should go on the mound, and another that the infield should be strengthened. The thinks worked out. Hoon Ki went on the mound, and Kan Yen jaunted to third. As a result Hoon Ki fanned the first two men, and Kan Yen got the other. Again in the eighth Kan Yen made two beautiful stops of plays and Hoon Ki fanned the other man. Milburn singled in the ninth, he had a reason for wanting to score, but the next three men failed to help out, and the Chinese captured and conquered.

## They Stopped Santa Clara Team Sunday

Chinese baseball team which defeated the Santa Clara University team yesterday afternoon at thletic park. This aggregation is one of the strongest teams in the islands, and was the only team to defeat the 25th Infantry in the last series. The players from left to right, back row, are: Luck Yee, pitcher; En Sue, center field; Ah Lee, first base; Kan Yen, catcher and infield; Lang Akana, right field; Tysu, third base, and Kim Luke, manager. Lower row, left to right, Kai Luke, shortstop; Kan Leong, left field; "Speed Up," mascot, and Hoon Ki, pitcher.

away the best umpire and the fans should be entitled to something. It is hoped that President Richardson will not send novices into future contests. Kan Yen as an umpire is a good catcher, and Albert Akana can play ball a heap better than he can umpire.

"Pinkie" Leonard has his curve ball working in good shape on Saturday. This is the same boy who shut out the White Sox in a training season game.

"Percy" Preciado was very much peeved at Capt. Stayton yesterday. A strike cut the heart of the plate and Preciado juggled his bat at his umps and said several words. Capt. Stayton waved him to the bench, but Joe Seneye used some of his oratory and Stayton allowed the third-sacker to try again. Preciado isn't the type of ball player who pulls rough stuff and his temper got the better of him for a moment.

The Santa Clara boys are trying all the time. They inject a heap of pep into the game that is noticeable and the local players might learn something from them.

Bushnell and Flizer were busy people with their bludgeons on Saturday afternoon.

Louie Milburn looks mighty good out there in center. He is fast in the field, a speed burner on bases and is leading the Santa Clara team in hitting. Hall looks good behind the bat and is a hard worker at all times.

J. K. Jarrett got rough yesterday and Stayton ordered him off the bench. Jarrett refused to go and as a result one of the boys with the blue and brass buttons led Jarrett behind the railing. Aggressiveness on the part of ball players is all right, but too much from the outsiders is not favored, according to Stayton.

Perry once said: "Don't give up the ship." Perry for the Lulus also said this and his batting average went up a few points.

Bensberg showed that he had his nerve with him by starting the game Sunday after being injured on Saturday afternoon. Hall handled himself as if he had never suffered an injury.

The fans panned Kan Yen and rode Albert Akana in the games and many a call was given for Chillingworth to handle the field umpire job. Capt. Stayton missed the corner a few times, but as a rule his work was well up to the standard.

The Lulus played both good and bad baseball. Three double plays proved that they were taking advantage of the punch. Jackson and Flizer were mixed up in two of them.

It was a pleasing sight to see so many of the fair sex out at the games. A number of them were cheering for the Santa Clarans. One party left early on Saturday afternoon after Santa Clara had taken a lead.

"Kan Yen made a great stop of a hard hit ball in the eighth inning on Sunday. It was ticketed for a hit, but the little Chinese player handled it in perfect shape, and his throw beat the runner a mile. Kai Luke got a pretty throw away in the third and caught the flying Milburn by inches in the Coast League right now.

Our old friend with the firecrackers heeded the call and the pyrotechnic display was well received by the fans.

The fans wondered why Henry Chillingworth was not umpiring yesterday afternoon and on Saturday. Putting in two novices in the game didn't look good with visitors here. Kan Yen made a sorry mess of things on Saturday and Albert Akana failed to follow the play yesterday. Personal feelings should not enter into the matter. Chillingworth is far and

Wilson was out of the game for a time owing to sunburn. He showed his nerve by getting into the game after Bensberg went out. He handled his place at first in good shape.

Brown looked good after the third inning and is certain to pitch better ball. Brown didn't believe that the Chinese could play quite so well. After this, Floyd, please take the ad

## GERMAN SUBSCRIPTIONS RETURNED BY JAPANESE

KOBE, Japan.—The subscribers to the proposed reconstructed international hospital at Kobe have voted to return to the German subscribers the fund of \$7,000 which they made to found the "Kaiser Wilhelm II operating room" in the hospital. On account of their objection to the methods of German warfare the subscribers, mostly English, decided that they did not wish any part of the hospital to be named after the German emperor. They started to collect a fund to take the place of the German gift and the total amount was recently made up.

The German directors of the hospital board absented themselves from the meeting but sent a letter declaring that as German subjects they must decline to be present at a gathering which occupied itself with the name or person of His Majesty, Kaiser Wilhelm II.

## FOUR NEW RECORDS MADE IN Y. M. SWIMMING MEET SATURDAY NIGHT

Clarence Lane Makes 100 Yards in 57 2-5—Little Mitrie Startles Crowd With Great Performances in 50 and 2:20—Diving Exhibitions Are Well Received By Audience—Kelii Makes Good Showing for First Appearance in Big Tank

Those who missed the swimming meet at the Y. M. C. A. on Saturday evening missed a real treat. There was enough good competition in the events to cover four meets, and every one who attended the annual summer meet was perfectly satisfied in every way.

To begin with the local boys smashed four national A. L. N. A. records, and tied another, besides making excellent time in all of the events. There were many features, in fact, every event could be called a real feature. Clarence Lane carried off the honors in two of the events, 100 and 100-yard events.

Lane and Kelii were entered in the century swim, and the two local boys were after the record. It was a close race all the way, and Lane only won by inches from Kelii. Both boys finished well under a minute, Lane making 57 2-5, which breaks the A. L. N. A. record by 5-25 seconds.

In the 20-yard event Lane flashed through the water in 8-1-5 seconds. Both Lane and Kelii were in fine form and these two boys are certain to be reckoned with in coming meets. This was Kelii's first appearance before a large crowd, and he showed up well in his initial performance.

Little Mitrie Konowloff was one of the real stars of the meet. He won the race for small boys for 50 yards, negotiating the distance in 30-1-5 seconds. He startled the crowd when he swam an exhibition 220 yards in the remarkable time of 2:51. This boy is certain to be heard from in swimming circles. Only a youngster, he has made better time than some of the collegiate champions.

George Cunha gave an exhibition of various strokes, including the side, side overarm, trudgen, Australian crawl, crawl and others. Cunha is

considered to be one of the most perfect swimmers in America. The crowd was surely pleased with his exhibition. No More World's to Conquer.

If Dudley Pratt wants to break any records for the plunge for distance, the association authorities will have to cut a hole in the tank and extend it. On Saturday evening he broke the A. L. N. A. record by 17 feet, making 60 feet in his performance. This is the length of the tank.

In the underwater swim David Carter failed to show to form, and made only 139 feet 2 inches. The record is 202 feet. Carter has made 195 feet in practise. Harold Kruger had an easy time winning the back stroke, setting a new record for the distance, making the 100 yards in 1:13-2-5 seconds. "A. B. Carter, Jr., was second, and Vasco Francis, third. A blindfold race was another feature of the meet. None of the boys could find the finish, and as a result there was no race.

**Expert Diving.**  
 Diving of the highest order was shown at the meet, Clair Tait, Robert Fuller and Carl Krebs showing a number of examples of the art. Herman Freitas and Robert Fuller gave two high dives from the upper windows of the association building. Throughout the diving exhibitions Clair Tait, swimming and diving instructor at the Y. M. C. A., proved that he knew the business thoroughly.

In the 400-yard relay Harold Kruger, John Kelii, Clarence Lane and George Cunha set the time of 3:53-4-5. This is a record for the A. L. N. A. The American record is 3:45-4-5. Had the swimmers not appeared in other races they might have threatened the mark.

The officials who handled the meet: Ginger Mayne, referee; Chas. Brown, starter; "Dad" Center, Owen Merrick and Lieut. Peppin, timers; Duke P. Kahanamoku, Baldwin, Harvey Chilton, judges.

Frutola and Traxo are prepared in the Pinus laboratories at Monticello, Ill., and arrangements have been made to supply them through representative druggists. In Honolulu they can be obtained at Benson, Smith & Co., Ltd.
